

New Student Move-in

- New Student Move-In – August 9 and 10
- Sign-Up For a Move-In Appointment by August 4 at 8:00 a.m.
- When you move in, unload and move your car quickly
- Nest Fest

How can I prepare my student for Move-In?

- Make sure they submit their BuzzCard photo! Their BuzzCard is the key to their bedspace so it's important to submit early!
- Review Items to Bring (or NOT to bring)
- Explore our Knowledge Articles for more information about living in our residence halls
- Encourage them to regularly check their email for updates

What is Week of Welcome?

Week of Welcome is a time for new students to become better acquainted with campus, their peers, and Atlanta the week before classes start.

The goal is for incoming students to have a low-stress transition to college with a week of fun and engaging opportunities to connect with the GT community and resources before starting their career at Georgia Tech.

Get to know more about student organizations, offices, and resources on campus!

Explore the City of Atlanta and Georgia Tech's campus!

Meet and connect with other new yellow jackets before classes start!

- Begins at Week of Welcome and lasts all year long
- Fall semester expands students' knowledge about wellness through program attendance.
- Spring semester deepens students' knowledge through reflection and skill building.

How Can I Be Involved in my Students' WoW Experience?

Before Week of Welcome:

- Help your student plan their Week of Welcome schedule before Move-In
- Encourage your student to sign their Week of Welcome waiver or give your name and email so you can sign it

After/During Week of Welcome

- Ask what their favorite part of Week of Welcome has been
- Ask who they have connected with that they did not already know
